Payment Schedule

ACS provides three options for paying tuition and Extended Care:

- Pay in full by July 15th or when enrolling, and a 2% discount is given.
- 10-month installment plan (August 1 to May 1).
- 12-month installment plan (June 1 to May 1).

Payments can be dropped in the box at the school office or mailed to the school.

Late Fees

Payments are due on the first of each month and are considered overdue on the 15th, at which time a **\$25 late fee** will be charged unless arrangements have been made with the Business Manager prior to the 15th.

Past Due Accounts

If payment is not made by the last day of the month in which it is due, the student(s) may not return to school until the past due amount is paid in full or alternate arrangements have been made with the school board. Parents wishing to make alternate arrangements should contact the Principal.

Any balance must be paid in full before the student is allowed to begin the new school year unless alternate arrangements have been made with the school board.

Returned Checks

There will be a **\$30 returned check fee** charged if the bank returns a check. If this occurs two (2) times, all future payments must be in cash, cashier's check or money order.

Finder's Fee

ACS offers a \$2000 tuition credit "Share the Blessing" finder's fee to any family that refers a new family to the school. The new student or students must be accepted and enrolled in order to be eligible for the tuition credit and is not eligible for any additional tuition aid. The amount will be split between the referring family and the new family and will be pro-rated monthly for the Tuition Payment Plan chosen by each family. If the new family leaves before the end of the school year, the pro-rated discount for the current ACS family will be terminated. If the new student after October 1st, the Finder's Fee discount will be pro-rated for both the ACS family and the new family. Finder's Fee discounts cannot exceed tuition costs.

Late Entry and Withdrawal

Yearly tuition for students beginning ACS after the first day of school will be prorated only if the student begins after October 1; otherwise the full yearly tuition will be charged.

Students leaving ACS before the end of the school year will pay a prorated tuition adjusted for the length of time which they actually attended, or a minimum of \$300.

Tuition Aid

Tuition Aid is awarded based on need and on a first come, first served basis. Students must first be enrolled at ACS in order to apply. Application forms are available by contacting the office.
