

Alameda Christian School
RESPECT GUIDELINES
2016-2017

Our Mission

Alameda Christian School
is dedicated to training young people for Christian life and service
by offering a balanced educational program
that promotes academic achievement
and reflects Biblical standards.

The entire curriculum is based on the Lordship of Christ

The staff of Alameda Christian School believes that each child and adult is created in the image of God and worthy of respect. It is our responsibility to help your child learn behaviors that will help them to treat their classmates and all adults with dignity and honor. Because it is felt that this idea needs reinforcing in our society and in our school community there will be swift consequences that will help children understand the importance of courtesy and respect to all of those in our school. It is understood that home rules may differ but applying a standard of respect will serve all well.

The following are examples of behaviors that are disrespectful to others:

- Talking back—having to have the last word
- Rolling eyes
- Arguing with a teacher or member of the extended care staff
- Body language---including walking away while an adult is speaking
- Muttering under one’s breath

These specific items are in addition to the school discipline policy.

Consequences:

First Offense: Offense will be recorded and filed in office and parent will be called.

Second Offense: Parent is called and the child serves “in school” suspension.

Third Offense: Off campus suspension-parents are to come immediately and pick up the child.

This procedure may be repeated but it is hoped that strict enforcement will help students to understand the importance of courtesy and respect for each other and make further enforcement unnecessary.

PLEASE RETURN THE BOTTOM PORTION TO SCHOOL WITH YOUR SIGNATURE AND THAT OF YOUR CHILD. KEEP THE TOP PORTION FOR YOUR RECORDS.

✂-----

We have read and discussed the 2014-2015 Respect Guidelines.
